PLAYLIST GOALS

A LITTLE BIT OF SOMETHING FOR EVERYONE

Our repertoire is as extensive and diverse as we all are.

We perform to crowds built up of a plethora of different nationalities and always ensure to have 'a little bit of something for everyone'.

The artists and songs that we cover have enjoyed popularity across the decades, from the 70's up to 2022 with the vast majority of our songs having placed at number one in the commercial charts.

While keeping our repertoire familiar and enjoyable, we love to inject the 'About Last Night' flavour into all the songs that we cover, this can include adding additional harmonies, orchestral sections, guitar solos, mash-ups and more.

About Last Night & Friends

For large scale events and large scale budgets and for those who will stop at nothing to make maximum impact!

About Last Night & Friends is a tailorable line up that can be anything from adding just one additional musician (eg: a saxophonist), to adding a whole brass section, a string section, dancers, a DJ, additional vocalists and more.

Being bespoke, this option requires a consultation and time to put together. Additional rehearsals are always required & so itemised elements such as rehearsal costs and payments per additional musician will be included in each individual quotation.

Rates vary upon consultation and requirements.

EXPERIENCES

ORIGINAL MUSIC

During the lock down of 2020, we started to write and produce our own original material and have so far released two of our singles: Pop/Rock angst infused Joker & rock ballad Before The Dawn.

More original music is in the pipeline and we have plans to release more singles in 2022 ahead of our debut album launch in 2023.

UNIQUE EXPERIENCES

In addition to booking our band in the usual formats for events, as performers we are versatile and keen to get involved in unique collaborations and projects...

2021 saw both lead vocalists John & Emily taking part in an incredible show at The Coca Cola Arena, performing for two shows with Tony Award Winning Orchestrator and Composer Steve Sidwell with the 40 piece Armenian orchestra. 2021 also saw the 5 piece performing with Peter Andre at the Jumeirah Zabeel Saray for a very unique surprise New Years Eve show for the unsuspecting guests!. n 2022 we will be the support artist for an international touring act and we are hoping to secure more opportunities like this.

We are always open for a conversation over a coffee to talk about how we can work together to raise the game.
